

Hello Indiana National Guard Families!

The time has finally come... **Kids AT Summer Camp Registration** is **NOW OPEN!**
Kids AT will take place this year **June 18-23** at **Camp Jameson** in Indianapolis.

A few **reminders** before you get started:

- Campers are accepted on a **priority** basis, dependent on service member status.
 - [See here](#) for an explanation of the priority process.
- Kids AT Camp is for military youth, ages **9-17**.
- Each camper will be automatically placed on a waitlist until all applications have been received. You will receive a follow-up email in following weeks to inform you of acceptance or continued wait-list status.
- You **DO NOT** need to pay the \$75 registration fee until your application has been accepted.

Please follow the steps below *carefully* to complete an application for your camper(s).

Step 1: Go to <http://jamesoncamptest.campbrainregistration.com> to start the application.

Step 2: Create a new account (with parent/guardian information). We recommend using a personal email, or one you have best access to.

Step 3: Choose "Add Child," and fill in your child's information.

Step 4: Choose "Add Child" to add another child, if you have more than 1 planning to attend camp. Do this for **all children** planning to attend.

Step 5: Click "Continue," and scroll to the bottom of the next page. Find "Kids AT Camp," and choose "Add to Cart."

Step 6: Below this section, you should see all children's names. Click on each name, and "Add to Cart," **for each child**, if you have more than one. Once this is complete for each child, continue to the next page.

Step 7: Complete all questions in the "Household Form."

Step 8: Complete all other forms on this page. Do this for each child.

Step 9: Continue to the next page. At this point, **STOP. DO NOT SUBMIT PAYMENT AT THIS TIME.** If you have completed all necessary forms, your campers will be placed on a waitlist. Once you receive notification of acceptance, you will be instructed to finish this last step of registration and submit payment.

If you have any questions or concerns throughout the registration process, please **call or email Katie Griffin** at katie.griffin.cypc@gmail.com / **317.247.3300 x 85441**. We are so excited to host another year of camp for our military kids – we hope to see you there!
